## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: Applicant's remarks to the office action dated June 17, 2004 has been reviewed and respectfully considered. With respect to rejected claims 1-19 under 35 U.S.C 102(e) as being anticipated by Konagaya (USP 6,552,778), applicant submitted a verified English translation of the present application's priority document, as indicated in page 2, paragraph 1 and 2 of the applicant response. Furthermore, the present application priority dates (August 27, 1999 and June 12, 2000) predate Konagaya's filing date (August 1, 2000), priority is perfected and the prior art cannot be relied upon. Accordingly, the rejection has been withdrawn and the search has been updated.

Therefore, claims 1-19 have been allowed for the reasons stated above.
